May 2008

Dear Parents,

One of my most important tasks as I prepare to become the new Principal of Wellesley Middle School is to begin to get to know the school through the eyes of parents. Your perspectives and voices are an essential ingredient in assessing how well Wellesley Middle School is serving your children. If you are interested in meeting with me, I am hoping to talk informally between now and the beginning of the 2008-2009 school year. During these meetings I will spend most of my time listening to your ideas about the strengths of Wellesley Middle School, the challenges it faces, and your goals for moving the school forward. Your input will be a central part of building a roadmap for Wellesley Middle School's future.

While my official start date is July 1, some of you will have already left the area for summer travel and/or family time. I would like to schedule time before the current school year ends to speak to those of you who are interested, but are not available during the summer. I am planning to be at WMS at 3:30 each afternoon of the week of May 19-23, and at 9:00 each morning of the week of June 9-13. For those of you who would like to meet and will be around during the summer, I will be at WMS for the first two and a half weeks of July, and all of August. Please contact Secretary to the Principal Penny Armstrong (781-446-6235) or [penny\\_armstrong@wellesley.k12.ma.us](mailto:penny_armstrong@wellesley.k12.ma.us)) to schedule a time.

I am looking forward to speaking with you, and I appreciate your help in getting to know WMS. Best of luck with the hectic last weeks of the current school year, and enjoy your summer activities.

Warmest regards,

Joshua Frank  
Incoming Principal
